## 0.6/1KV Limited Fire Hazard/Fire Survival Multicore Armoured Cables to EME-SP-14-027

RF14027-RZ1MZ1-U(AS)-0.6/1KV-3G300S

## APPLICATIONS

The cables are designed for station range installation typically in public help points (PHP), public address (PA), station announcement platforms (SAP) \& CCTV camera power systems. The LSZH cables has been designed to provide superior flame retardance and circuit integrity if necessary, suitable for installation where fire, smoke emission and toxi fumes may create a potential threat.
