Flame Retardant SWA 17 Conductors UV/Moisture Resistant PVC Sheathed Composite Cable

CABLE CONSTRUCTION

14AWG Power cable

Conductor: 14AWG(19/0.38mm) annealed copper

Insulation: PVC material. Thickness 0.8mm

Insulation Color: Red, black and green

18AWG Communication pairs

Conductor: 18AWG(16/0.27mm) annealed copper

Insulation: PVC material. Thickness 0.8mm

Insulation Pair Color: White & Blue, White & Orange, White & Green, White & Brown, White & Grey, Red & Blue, Red & Orange

Element Assembly

Core make-up: Seven pairs and one triad are wrapped with plastic tape

Bedding: 1.2mm PVC compound

Armour: 1.6mm Galvanized steel wire

Sheath: 1.65mm UV/moisture resistant FRPVC, Overall diameter 33.0 ± 1.5 mm

Sheath Color: Black
